

TRINITY'S CREDIT BOOSTER PROGRAM

Want Your Scores Higher?

Experience a credit boosting service tailored to build positive credit.

Our Credit Booster Program is tailored to boost your credit fast while helping you build positive credit of your own.

Credit Booster Benefits:

- Fast Track Option for Building Credit**

Your name will be added to a seasoned line of credit with a limit depending upon the level of credit needed. The credit history of the seasoned line of credit will report for a period of 3 months as an authorized user on your credit report. By reporting the history of the seasoned line of credit, your credit report and scores will show fast improvement.

- Renewable Service**

These cards are on a first come, first serve basis. Our credit booster program is renewable. After the initial 3 months, your account representative will provide your tailored renewal rate.

- Additional Credit Assistance**

After being added to a seasoned line of credit, Trinity Enterprises will assist you in securing credit in your name. This will take place about 60 days into the program.

See our Q & A on the next page.

Q & A:

1. Will I have access to the line of credit?

No. You will not have access to the funds available on the line of credit.
The service is for reporting purposes only.

2. Will this boost my score?

Yes. However, the overall impact varies based on the individual's existing credit history.
Consumers can experience a score boost as low as 1 to 15 points or as high as 75 to 100 points.

3. Can you guarantee me a certain line of credit?

No. Trinity Enterprises cannot guarantee a specific card.
Line of credit selection is based on existing credit history and credit goals (car purchase, home purchase, etc).

Disclaimers:

- **Proof of Identity is Required:**
Examples include social security cards, driver's licenses, and passports.
- **Trinity Enterprises Guarantees:**
Posting on up-to 2 credit bureaus.
- **Consumer gives Trinity Enterprises Permission:**
To release his or her information to Trinity Enterprises affiliates who provide lines of credit.
This is required because credit booster packages require reporting consumer name and address.
